AFFIDAVIT

I, Chadwick J. Opitz, being first duly sworn, depose and state:

I am a Detective with the Beaverton Police Department and have been so employed since April 1999. I am currently assigned to the Portland Division of the Federal Bureau of Investigation (FBI) as a Task Force Officer (TFO), where I investigate computer crimes. I have been working as a task force officer since February 2006. I have received training in the investigation of computer, telecommunications, and other technology crimes. Since February 2006, I have been involved in the investigation of matters involving the sexual exploitation of children, to include the online sexual exploitation of children, particularly as it relates to violations of Title 18, United States Code, § 2422(b). I have made arrests and conducted searches pertaining to these types of investigations. I am a part of the Portland Innocent Images National Initiative (IINI) Undercover Operation Task Force, which includes FBI Service Special Agents. IINI is an intelligence-driven, proactive, multi-agency investigative initiative to combat the proliferation of child pornography/child sexual exploitation facilitated by an online computer. As a member of this Task Force, I have received training and certification at the FBI Calverton Resident Agency in areas related to online computer crime investigation involving child pornography and other aspects of child exploitation.

The statements contained in this Affidavit are based on my experience and background as a Special Agent, and on information provided by other agents of the FBI, and other law enforcement officers. I have not set forth every fact resulting from the investigation, rather, I have set for a summary of the investigation to date in order to establish probable cause to charge "Jerry" a/k/a Yahoo! screen name "cuddleguy211" with using a means of interstate

commerce to attempt or persuade, induce, entice or coerce a minor to engage in sexual activity in violation of Title 18, United States Code, Section 2422(b).

SUMMARY: This complaint refers to an attempted enticement of a perceived 15 year old female who "Jerry" aka "cuddleguy211" attempted to meet with for the purpose of engaging in sexual intercourse. The planning for this meeting is evidenced by internet conversations, known as "chat" which indicate that "Jerry" aka "cuddleguy211" believed the 15 year old girl was available and willing to engage in sexual intercourse with "Jerry" aka "cuddleguy211", who stated his age 54. His attempt to engage in this conduct, and his enticement of the perceived teenage constitutes an offense involving online internet exploitation of children by acts to induce or persuade a minor to engage in sexual activity.

LEGAL AUTHORITY:

Oregon Revised Statute 163.355 provides that a person who has sexual intercourse with another person commits the crime of rape in the third degree if the other person is under 16 years of age. Rape in the third degree is a Class C felony. Oregon Revised Statute 163.305 definition of "sexual intercourse" states "has its ordinary meaning and occurs upon any penetration, however slight; emission is not required."

Oregon Revised Statute 163.385 provides that a person who engages in deviate sexual intercourse with another person or causes another to engage in deviate sexual intercourse commits the crime of sodomy in the third degree if the other person is under 16 years of age. Sodomy in the third degree is a Class C felony. Oregon Revised Statute 163.305 definition of "Deviate Sexual Intercourse" means sexual conduct between persons consisting of contact between the sex organs of one person and the mouth or anus of another.

Oregon Revised Statute 163.415 provides that a person commits the crime of sexual

abuse in the third degree if the person subjects another person to sexual contact and the victim does not consent to the sexual contact; or the victim is incapable of consent by reason of being under 18 years of age. Sex abuse in the third degree is a Class A misdemeanor. Oregon Revised Statute 163.305 definition of "Sexual Contact" means any touching of the sexual or other intimate parts of a person or causing such persons to touch the sexual or other intimate parts of the actor for the purpose of arousing or gratifying the sexual desire of either party.

Oregon Revised Statute 161.405 provides that a person is guilty of an attempt to commit a crime when the person intentionally engages in conduct which constitutes a substantial step toward commission of the crime. An attempt is a Class A misdemeanor if the offense attempted is a Class C felony. An attempt is a Class B misdemeanor if the offense attempted is a Class A misdemeanor.

For the reasons set forth below, there is probable cause to believe that "Jerry" aka "cuddleguy211" has used a means of interstate commerce, namely the Internet, to attempt to or knowingly persuade, induce, entice or coerce an individual who has not attained the age of 18 years to engage in sexual activity for which any person can be charged with a criminal offense. In this case, the applicable sexual activity I believe "Jerry" aka "cuddleguy211" proposed to carry out with an individual who he believed to be a 15 year old minor female, included, but is not limited to, digital penetration, oral sex, and vaginal intercourse.

YAHOO! CHAT

Yahoo!, is a commercial Internet Service Provider (ISP) that offers subscribers access to electronic bulletin boards which can be read and responded to by other subscribers, known as "chat." "Chat" is real-time type-written conversation between people, much like a verbal

conversation. Yahoo! also provides electronic mail (E-mail) service, enabling subscribers to communicate by computer similar to writing letters and sending through normal mail. Each subscriber can communicate with other Yahoo! users either in real-time through either chat rooms, private chat rooms or instant messages, if the other subscriber is also online, or via E-mail. Within the system, text messages and graphic images (such as photographs) can be sent to a subscriber, or to any person with an Internet E-mail address. Both text and graphics files can be saved to the computer disk drive for access and printing at any time.

OVERVIEW OF INVESTIGATION

The information provided in this affidavit is the summation of an investigation conducted by myself, acting in an undercover capacity (UCA) on the Yahoo! system, and using a computer in Portland, Oregon. All communications via computer made during this investigation were with an individual identified as "Jerry" using the Yahoo! screen name "cuddleguy211." All conversations between the UCA and "cuddleguy211" were by contact through instant messages and E-mail messages on Yahoo!. These conversations took place during the period of August 17, 2006 through August 31, 2006. Included below are portions of the instant messages chat, I had with "cuddleguy211" while posing as a fifteen year old girl.

On August 17, 2006, at approximately 1:22 pm (PDT), I was logged on Yahoo! posing as a 15-year old female from Beaverton, Oregon. While I was logged on and had entered a chat room entitled Oregon:2, the screen name "cuddleguy211" contacted me using an instant message. It should be noted that Yahoo! archiving cuts off the first line of the chat showing "cuddleguy211" contacting me.

On September 1, 2006, at approximately 9:50 am (PDT), FBI agents, Beaverton Police Detective Dale Hoskins, and I were set-up around the Beaverton Transit Center located at 4050 SW Lombard Avenue, Beaverton, Oregon. At approximately 9:52 am, I observed a tan colored Ford Explorer driving south on SW Lombard passing the Beaverton Transit Center toward SW Canyon Road. The driver of the Ford Explorer resembled the photograph sent to me by "cuddleguy211". At the time, there were approximately seven police vehicles in the transit center parking lot. I observed the male driver look towards the police vehicles and continue

driving south on SW Lombard.

Detective Hoskins observed the Ford Explorer driving on SW Lombard and observed the license plate on the rear of the vehicle to be Oregon #STR779. In conducting a records check on the license plate, the registered owner was determined to be a Jerry Lee Bourn (DOB 09-30-51) out of Woodburn, Oregon.

At approximately 10:17 am, I observed the tan Ford Explorer turn into the Beaverton Transit Center. I observed the same male subject driving the vehicle as I did earlier. The driver of the vehicle waited for a east bound train to leave the transit center and went back onto southbound SW Lombard. Beaverton Police Officer Brian Gaunt conducted a traffic stop on the vehicle and detained the driver.

The driver of the vehicle was identified as Jerry Lee Bourn out of Woodburn, Oregon. Jerry Bourn told me he was there at the transit center to meet a girl named "Chelsea". Jerry Bourn said he was only at the transit center to talk to Chelsea. Jerry Bourn was taken to the Beaverton Police Department for questioning. Agent Jane Brillhart and I conducted an interview of Jerry Bourn. Jerry Bourn stated he chatted with Chelsea via Yahoo and said he was aware she was only fifteen years of age. Jerry Bourn said he has the Yahoo screen name of "cuddleguy211". Jerry Bourn said he talked with Chelsea on the computer from his residence in Woodburn, located at 1315 Robert Street, Woodburn, Oregon. Jerry Bourn stated he talked with Chelsea sexually to some gratification because he no longer has sex with his wife. Jerry Bourn said he was curious about meeting Chelsea and was going to tell her to be careful when talking online. Jerry Bourn stated he knew it was wrong to talk to Chelsea in a sexual manner since she is a minor.

Jerry Bourn stated he has talked with other underage girls via Yahoo. Jerry Bourn said both girls said they were thirteen years of age and were from Portland, Oregon. Jerry Bourn

stated one of the girls wanted to have sex with an older man. Jerry Bourn said this girl provided him with a general location of her house and photographs of her with friends. Jerry Bourn stated the photographs were not pornographic. Jerry Bourn said he never went to the girl's house, but did talk to her about meeting for sex purposes.

Jerry Bourn said he was investigated in the past, along with his adult son, for the sexual abuse of his two minor grandsons. Jerry Bourn stated the boys' mother accused him of sexual abuse. Jerry Bourn said the allegations were investigated and no enforcement action was taken.

Based upon the above information and my experience, I respectfully submit that there is probable cause to believe that Jerry Lee Bourn (aka: "cuddleguy211") has committed a violation of Title 18, United States Code, Section 2422(b), in that he has used a facility of interstate commerce to attempt to or to knowingly persuade, induce, entice or coerce an individual who has not attained the age of 18 years to engage in sexual activity for which any person can be charged with a criminal offense.

This affidavit has been reviewed and approved for presentation by Assistant United States Attorney Pam Holsinger.
